

## Lectura Global

Palabras e imágenes para trabajar la lectura global.

- Asociación de imagen con palabra.
- Escritura (remarcar las palabras)
- Asociación de palabra con palabra.

Para realizar esta actividad es necesario imprimir las fichas, plastificarlas y recortarlas (como el ejemplo mas abajo), ya que al usarse muchas veces se van rompiendo.

Los textos (el archivo aparte) se deben imprimir dos veces, plastificar y recortar cada uno, para así poder hacer asociación de palabra con palabra.
